

Thomsen Homes Valued Client,

Thomsen Homes is continually striving to improve the new home experience for our clients and in doing so, we have implemented a TEXT TO KNOW ON THE GO program. Quite simply it's a quarterly informative and as-needed weather warning system that pertains to YOUR HOME. By signing up, you will receive helpful homeownership tips quarterly as well as receiving significant weather related suggestions when the need arises. For example, if the Fargo/Moorhead/West Fargo area is going to get significant rainfall tomorrow, you will receive a text regarding the weather event with suggestions for ensuring your sump pump is functioning properly, making sure your windows are closed and locked, adjusting your sprinkler system to account for this rainfall, and more. All of this knowledge is yours FREE for being a valued Thomsen Homes client. This TEXT TO KNOW ON THE GO program is easy to use, easy to join, and can continue through your warranty period or until you choose to stop receiving the messages. This program is available for anyone living in the home.

To sign up, simply text **THWARRANTY to 313131** and you will be added to these valuable messages and alerts.

We, at Thomsen Homes, think that your new construction home ownership will be a successful and stress-free part of life thanks to this TEXT TO KNOW ON THE GO program. Be sure to sign up today!
